MEMORANDUM

TO: Victoria A. Lipnic  
Acting Chair

FROM: Milton A. Mayo, Jr.  
Inspector General

HRK reported that EEOC’s fiscal year 2018 financial statements and notes were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. HRK did not identify any instances of material weaknesses or significant deficiencies in the fiscal year 2018 financial statements. HRK did not identify any instances of noncompliance or other matters that were required to be reported under GAGAS or OMB Bulletin 19-01.

In accordance with the contract, OIG reviewed HRK’s report and related documentation and inquired of its representatives. Our review, as differentiated from an audit in accordance with GAGAS, was not intended to enable us to express, and we do not express, opinions on EEOC’s financial statements or conclusions about the effectiveness of internal controls, or whether EEOC’s financial management systems substantially complied with Federal Financial Management Improvement Act (FFMIA); or conclusions on compliance with laws and regulations. HRK is responsible for the attached auditor’s report dated November 15, 2018, and the conclusions expressed in the report. However, OIG’s review disclosed no instances where HRK did not comply, in all material respects, with generally accepted government auditing standards. EEOC management was given the opportunity to review the draft report and to provide comments. Management comments are included in the report.

The Office of Management and Budget issued Circular Number A-50, Audit Follow-up, to ensure that corrective action on audit findings and recommendations proceed as rapidly as possible. EEOC Order 192.002, Audit Follow-Up Program, implements Circular Number A-50 and requires that for resolved recommendations, a corrective action work plan should be submitted within 30
days of the final audit report date describing specific tasks and completion dates necessary to implement audit recommendations. Circular Number A-50 requires prompt resolution and corrective action on audit recommendations. Resolutions should be made within six months of final report issuance.
