MEMORANDUM

TO: Charlotte A. Burrows
Chair

FROM: Joyce T. Willoughby, Esq.
Acting Inspector General

In its audit of EEOC, HRK reported:

- EEOC’s financial statements present fairly, in all material respects, EEOC’s financial position as of September 30, 2022 and 2021, and its net cost of operations, changes in net position, and budgetary resources for the fiscal years then ended, in accordance with accounting principles generally accepted in the United States of America;

- they did not identify any deficiencies in internal control over financial reporting that they consider to be material weaknesses. However, material weaknesses may exist that have not been identified; and

- their tests for compliance with selected provisions of applicable laws, regulations, and contracts disclosed no instances of noncompliance for fiscal year 2022 that would be reportable under GAGAS or OMB Bulletin 22-01, Audit Requirements for Federal Financial Statements.

HRK is responsible for the opinion on the attached auditor’s report dated November 10, 2022, and the conclusions expressed in the report. We do not express an opinion on EEOC’s financial statements or conclusions on internal control over financial reporting or on compliance and other
matters. EEOC management was given the opportunity to review the draft report and to provide comments.

OMB issued Circular Number A-50, *Audit Follow-up*, to ensure that corrective action on audit findings and recommendations proceed as rapidly as possible. EEOC Order 192.002, *Audit Follow-Up Program*, implements Circular Number A-50 and requires that for resolved recommendations, a corrective action work plan should be submitted within 30 days of the final audit report date describing specific tasks and completion dates necessary to implement audit recommendations. Circular Number A-50 requires prompt resolution and corrective action on audit recommendations. Resolutions should be made within six months of final report issuance.
